Symposium A	
Topics	A1 Materials for energy and environment
Functional Materials	A2 Bio-inspired materials and materials for healthcare applications
	A3 Magnetic, electric and photonic functional materials
	A4 Carbon based materials
	A5 Paper electronics

Symposium B	
Topics	B1 Advances in ceramics, concrete, building materials
Structural Materials	B2 Advances in metals and alloys
	B3 Advances in polymers
	B4 Advances in composites and hybrid materials

Symposium C	
Topics	C1 Processing technologies (including additive manufacturing)
	C2 Coatings and interfaces
Materials Processing, characterization and modelling	C3 recycling
	C4 Materials characterization (including at nanoscale)
	C5 Materials Modelling

Special Session	
Topics	CH Advances in Cultural Heritage - Science, Materials and Techniques
Cultural Heritage	

 **Rectorate Building**  
Auditorium A; Auditorium B, Senate Room and Main Hall

 **Campolide College**  
Anphitheater 102, Anphitheater 217, Anphitheater 219 and Fencing Room

 **Residence Hall**  
Dinning Hall
