Moderation: Braz Costa (CITEVE/CeNTI [PT])

12:30h Lunch :: ADI / TANATEX

14:00h Session 2 - New Advanced Materials

▼ Clara Pereira (U. Porto - Researcher [PT])

16:00h - Smart Textiles for Energy Storage: Nanotechnology on the Road for Wearable Electronics

Paulo Correia (FISIPE - Product Development Engineer [PT])

- PANOX – Oxidized polyacrylonitrile fiber

Helena P. Felgueiras (2C2T – U. Minho - Researcher [PT])

- New generation of polymeric wound dressings functionalized with immunoregulatory antimicrobial peptides

Nils Jongh (ADI / TANATEX - Business Development Manager [NL])

- Anti-odour finishing by applying non-biocidal mineral technology

Isabel Cabral (U. Minho - Researcher [PT])

- Thermo-responsive textiles: designing dynamic light environments

Moderation: José Morgado (CITEVE [PT])

16:00h Coffee Break :: SOLVAY GROUP

16:30h Session 3 - New Fibres and Structures

▼ Daniela Antunes (SOLVAY Group - Strategic Coordinator [IT])

18:00h - Innovations on Fibers Inspired by Megatrends

Boussu François (ENSAIT - Lecturer / Researcher [FR])

- Different applications of 3D warp interlock fabrics

Radim Hrdina (U. Pardubice - Lecturer / Researcher [CZ])

- Novel Fibres for Medical Applications

Guy Buyle (Centexbel - Researcher [BE])

- Biobased self-reinforced composites enabled by high stiffness PLA yarns

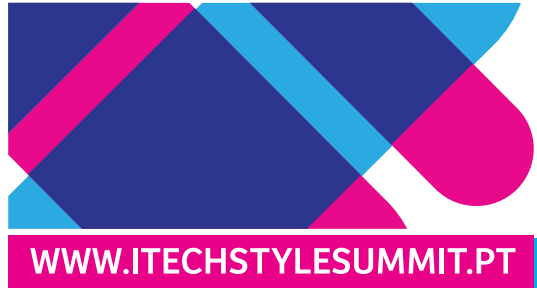

Moderation: Fernando Ferreira (U. Minho [PT])

20:00h Conference Gala Dinner & iTechStyle Awards Ceremony

Chaired by Manuel Caldeira Cabral, Minister of Economy of Portugal

Paulo Cunha, Mayor of Vila Nova de Famalicão

16:00h - Hugo Boss Production Robotization

Edouard Macquin (Lectra - Chief Sales Officer [FR])

- The rise of industry 4.0 in fashion

Marc Van Parys (UNITEX - President [BE])

- Digital Technologies for The Factory of the Future

Jürgen Thoms (PLEVA - R&D Manager [DE])

- Latest solutions for textile finishing: High-tech straightening and sensors for dryers

Tatjana Spahiu (Polytechnic University of Tirana - Lecturer [AL])

- 3D virtual prototyping in fashion industry

Moderation: Pedro Rocha (Produtech [PT])

16:00h **Coffee Break :: LECTRA**

16:30h **Session 11: Digitization and Production Robotization**

▼ Jorgen Lindahl (SPGPrints - Senior Area Sales Manager Digital Textiles [NL])

18:00h - Digitalisation in Textile Printing

Yvonne Heinen-Foudeh (GERBER - Marketing and Communications Director [DE])

- On Your Way To The Smart Factory: IoT + IoS, Big Data, SaaS, Cloud-Computing, 2D-3D-4D – Hype or Reality?

Arnd Decker (SETEX - Sales Area Manager [DE])

- Optimization of processes in the textile industry

Karen Deleersnyder (Centexbel - Research Scientist [BE])

- 3D Printing on Textiles as a new tool for customized fabrics

Moderation: Pedro Torrinha (CCG / Cluster Têxtil [PT])

16:00h **Closing Session**

Ana Teresa Lehmann - Secretary of State for Industry of Portugal
